

## PROSPECTUS

Bybrook Pre-school is a friendly and welcoming pre-school based in the Village Hall in Yatton Keynell, just a couple of miles from Chippenham. It is a village pre-school which offers a large main play area, as well as fantastic opportunities for outdoor play. This includes a natural wooded garden at the rear, a front patio and a recreational field with a wooden playground.

### OUR VISION

At Bybrook Pre-school we work together to provide a safe environment where children can access fun and interesting experiences. Children are encouraged to learn and develop to become independent, Lifelong Learners.

Our Values are to be kind and considerate towards others, to love our planet and environment, to be brave and to believe in others.

We are open all year round from 8-5.30. We operate a breakfast club from 8-9 which includes a school drop off to Bybrook Valley primary school plus an after school club from 3-5.30.

Holiday Club operates during every school holiday except Christmas and our themed days offer lots of fun and excitement for those aged 2 through to year 6.

Every child will receive their own key person who will take charge of your child's observation records and provide feedback with regards to your child's progress.

Our team members have many qualifications and much experience in Early Years and Childcare. All are trained in paediatric first aid and child protection.

"Good" rating  
with Ofsted

We provide "Rising 5" activities to ensure our leavers are school ready.

We are registered with Wiltshire Council to receive the universal 15 hours funding per week, plus a further 15 hours if parents are eligible. We also accept childcare vouchers.

We aim to do one pre-school trip per term plus a leavers' trip for our school leavers. Previous trips have included days out to Chippenham Fire Station, Neston Forest School, Bristol Zoo, Avon Valley Country Park and a local farm.

Come and join our committee - we would love to hear from you.
