Starting at Bybrook Pre-school

What to Wear

- a) In order to feel free and explore and experiment with all kinds of materials including messy ones, it is best to send children dressed in clothes that are easily washable and not too new. Our Bybrook Pre-school polo shirts and sweatshirts are ideal (available from www.myclothing.com)
- b) It is good for children to practise the skills that will make them independent. Simple clothing and footwear, which they can handle themselves, will enable them to go to the toilet when they want to and to put on and take off their outdoor clothes without being too dependent on other people's help.
- c) Children are asked to bring wellington boots and waterproof trousers when it is wet.
- d) We do have facilities for nappy changing should your child need it - please remember to supply nappies, wet wipes and cream in a named bag, and a spare change of clothing for those undergoing potty-training, for those minor mishaps.

We request that all of your child's property including bags, lunchboxes, wellingtons, outdoor coats and waterproof trousers etc be **clearly named**.

1) Session Drop-off

- Please enter the village hall via the main door where the coat pegs are.
- We will guide your child to store their lunch box, outdoor clothing and a change of clothes bag (which can stay unless it needs replenishing).

2) Session End

- Please enter the village hall via the main door.
- Your child will be brought to the foyer by a member of staff who will provide you with information about your child and what they have been doing during the session.
- If you wish to talk informally with staff / your child's key person, please wait until all children have been collected. If you want to have a more in-depth chat please let the member of staff know and they will arrange for your child's key person to phone you at the soonest available moment.

Fundraising

Bybrook Pre-school could not survive without fundraising which subsidises the fees and also enables us to obtain some fantastic learning resources. Activities vary, but include raffles, cake sales, Yatton Keynell fete, car boot sales, sponsored events etc. We sometimes ask for help, a raffle prize or a cake and appreciate any time parents are able to give us. There is a fundraising sub group who put together plans, so please let us know if you are interested in joining it.

Pre-school Management Committee

The committee is responsible for running the pre-school, and consists of a chairperson, a secretary, a treasurer and up to 9 other members. The committee usually consists of parents of the children attending the pre-school. Responsibilities include recruitment and employment of staff, organising fundraising events, organising day trips for the children, helping organise and run the Christmas and end of term parties. They are also responsible for finance, policies and procedures, equipment purchases along with statutory compliance and governance.

Bybrook Pre-school is a registered charity and a registered member of the Pre-School Learning Alliance. It is also registered by Ofsted (Ref no: EY496988).

Healthy eating and important information about lunch boxes

We ask that you send your child with a healthy packed lunch to pre-school. As we do not have sufficient facility for refrigeration at the Village Hall, we have taken advice from our local Environmental Health Officer, who suggested that we pass the following guidelines on to you in order that you might start to use them.

- Where possible but especially with High Risk foods, place an ice-block in the food box
- In food boxes which do not contain an ice-block, only provide food which is not regarded as High Risk (see below)
- If possible refrigerate the food prior to putting it into the lunch box

N.B. High Risk foods include the following:

- **Meat (ham, beef, corned beef, lamb, chicken etc.)**
- **Fish (tuna, salmon, sardines)**
- **Dairy products (cheese, milk, yoghurts)**
- **Eggs**
- **Mayonnaise**

As you will appreciate, we are very keen to promote good food hygiene, and so we ask that if you provide any of the above, you use a suitable ice pack in your child's lunch box.

We also have a no nut policy whereby we ask parents not to pack nut products in their child's lunchbox. 'May contain nuts' is acceptable but no foods such as peanut butter or mixed fruit and nuts. We have children with severe nut allergies.
