Child Protection statement

"All children have a right to be protected from abuse and neglect. Protecting a child from such harm takes priority over protecting their privacy, or the privacy rights of the person(s) failing to protect them. The UK General Data Protection Regulation (UK GDPR) and the Data Protection Act 2018 (DPA) provide a framework to support information sharing where practitioners have reason to believe failure to share information may result in the child being at risk of harm. Pre-school are not required to inform parents/carers if we have reason to believe that doing so may put the child at increased risk of harm (e.g., because their carer(s) may harm the child, or react violently to anyone seeking to intervene, or because the child might withhold information or withdraw from services). We do not need consent to share personal information about a child and/or members of their family if a child is at risk or there is a perceived risk of harm."

Starting at Bybrook Pre-school

Settling in Sessions

We offer two free settling-in sessions. We encourage parents to stay during the first one for an hour to engage in a stay-and-play with their child. For the second session, we recommend a morning (9:00am – 12:00pm) or afternoon (1:00pm – 3:00pm) session, where children are to attend independently. However, parents are always welcome to stay briefly if needed to help with the transition. Once the settling-in sessions are completed, children will typically begin their regular pre-school sessions. However, I'm happy to be flexible and assess each child individually, in case additional settling-in time is necessary. These sessions don't need to coincide with your child's usual booked sessions, but it's often helpful to schedule them close to their typical time so they can become familiar with the routine.

What to Wear

- a) In order to feel free and explore and experiment with all kinds of materials including messy ones, it is best to send children dressed in clothes that are easily washable and not too new. Our Bybrook Pre-school polo shirts and sweatshirts are ideal (available from www.myclothing.com or to purchase from us)
- b) It is good for children to practise the skills that will make them independent. Simple clothing and footwear, which they can handle themselves, will enable them to go to the toilet when they want to and to put on and take off their outdoor clothes without being too dependent on other people's help.
- c) Shoes should be closed toe and not sandals or flip flops.
- d) Children are asked to bring named wellington boots and waterproof trousers when it is wet (we are happy to store these at pre-school on request).
- e) We do have facilities for nappy changing should your child need it - please remember to supply nappies, wet wipes and cream in a named bag, and a spare change of clothing for those undergoing potty-training, for those minor mishaps.

We request that all of your child's property including bags, lunchboxes, wellingtons, outdoor coats and waterproof trousers etc be **clearly named**.

1) Session Drop-off

- There is a door bell on the outer main door. Please ring this when you arrive.
- Please enter the village hall via the main door where the coat pegs are.
- We will guide your child to store their lunch box, outdoor clothing and a change of clothes bag (which can stay unless it needs replenishing).
- Please sign your child in on the register.

Please note that we do not open the door until 8.00am for the Breakfast Club and 8.55am for the 9.00am session.

2) Session End

- There is a door bell on the outer main door. Please ring this when you arrive.
- Please enter the village hall via the main door.
- Your child will be brought to the foyer by a member of staff who will provide you with information about your child and what they have been doing during the session.
- Please sign your child out on the register – frequent late collections may incur a fee.
- If you wish to talk informally with staff / your child's key person, please wait until all children have been collected. If you want to have a more in-depth chat please let the member of staff know and they will arrange for your child's key person to phone you at the soonest available moment.

Holiday Club

We run a holiday club throughout the year during busy times. If the demand is there, we can make a decision to open during all of the holiday periods (excluding Christmas when we are definitely closed).

However, due to the recent demand, we are currently only operating through the Easter and Summer Holiday period – smaller holidays saw a very low intake.

If you would like your child to attend any holiday club sessions, these will not be included in funded hours. The rate for holiday club is £5.50 per hour for three years and above and £6.25 per hour for two-year-olds.

Our holiday club tends to open between 8am – 4pm but can start at 9am if the demand for an early hour is not there. We could also close at 3pm if again, the demand is not there.

I will send out an email regarding holiday club at least a term in advance so that we can ascertain the demand and confirm opening and closing times for the upcoming holiday club. Please do register your interest in our holiday club at any time, helping us to plan ahead and ensure that we can be of service to all that may require holiday club cover.

Breakfast is not included within holiday club and all children must bring along a snack for morning snack time/afternoon snack time.

We open our holiday club to any child aged between two years old and seven years old (you do not have to be 'on roll' with Bybrook Pre-school to attend).

For more information regarding holiday clubs, please do speak with me.

Fundraising

Bybrook Pre-school could not survive without fundraising which subsidises the fees and also enables us to obtain some fantastic learning resources. Activities vary, but include raffles, cake sales, Yatton Keynell fete, car boot sales, sponsored events etc. We sometimes ask for help, a raffle prize or a cake and appreciate any time parents are able to give us. There is a fundraising sub group who put together plans, so please let us know if you are interested in joining it.

Pre-school Management Committee

The committee is responsible for running the pre-school, and consists of a chairperson, a secretary, a treasurer and up to 9 other members. The committee usually consists of parents of the children attending the pre-school. Responsibilities include recruitment and employment of staff, organising fundraising events, organising day trips for the children, helping organise and run the Christmas and end of term parties. They are also responsible for finance, policies and procedures, equipment purchases along with statutory compliance and governance.

Bybrook Pre-school is a registered charity and a registered member of the Pre-School Learning Alliance. It is also registered by Ofsted (Ref no: EY496988).

Healthy eating and important information about lunch boxes

We ask that you send your child with a healthy packed lunch to pre-school. As we do not have sufficient facility for refrigeration at the Village Hall, we have taken advice from our local Environmental Health Officer, who suggested that we pass the following guidelines on to you in order that you might start to use them.

- Where possible but especially with High-Risk foods, place an ice-block in the food box
- In food boxes which do not contain an ice-block, only provide food which is not regarded as High Risk (see below)
- If possible, refrigerate the food prior to putting it into the lunch box

N.B. High Risk foods include the following:

- **Meat (ham, beef, corned beef, lamb, chicken etc.)**
- **Fish (tuna, salmon, sardines)**
- **Dairy products (cheese, milk, yoghurts)**
- **Eggs**
- **Mayonnaise**

As you will appreciate, we are very keen to promote good food hygiene, and so we ask that if you provide any of the above, you use a suitable ice pack in your child's lunch box.

We also have a **no nut policy** whereby we ask parents not to pack nut products in their child's lunchbox. 'May contain nuts' is acceptable but no foods such as peanut butter or mixed fruit and nuts. We have children with severe nut allergies.

As a day carer provider, we are required to follow the child protection procedures agreed through the Wiltshire Safeguarding Vulnerable People Partnership (SVPP). We will try to share with you any concerns we may have, however we do have a duty to refer to Social Services where there is *evidence* or *reasonable cause to believe* that a child may be suffering or at risk of suffering significant harm. Our first concern will always be the welfare of the child.

We have a copy of the Child Protection in Wiltshire Procedures and Guidance for you to see if you wish. You may also refer to our pre-school Safeguarding Children policy and procedures, as well as our Information Sharing policy and procedures.
